

TIPS FOR PARENTS

Creating A Culture of Child Protection

- 1** Make careful, slow choices about the people you include in your child's life.
- 2** Make fast choices about the people you exclude.
- 3** Avoid high-risk situations.
- 4** Attend your child's extracurricular activities.
Be a visible parent.
- 5** Some adults should not have unsupervised contact with a child.
- 6** Be aware of people who work with children.
- 7** Limit sleepovers.
- 8** Help your child to identify their trusted adults in the places they frequent the most (school, daycare, etc.)
